

How to Order the Throttle Control

Handle Type	Position Indicator	Assembly Part Number			
T -	F - N - R	55943			
HANDLE	FAST - SLOW	55801	I soment		
TOP PUS BUTTON	H FAST - SLOW	55800	OPTION # OPTION # OPTION # OPTION # OPTION # Chart 1 Chart 2 Chart 3 Chart 4 Chart 5 Chart 6		

Follow the charts below to construct the ASSEMBLY PART NUMBER for your specific throttle control. First, choose the type of throttle control you need (first 5 digits). Second, choose appropriate options from each chart and place the option # into the appropriate coded boxes. When combined, you will have your ASSEMBLY PART NUMBER.
